

NWEI's Sponsor-A-Page Campaign

Help NWEI create a new discussion course on health and the environment
— *one page at a time.*

- Your support will enable NWEI to develop a new cutting-edge discussion course on health and the environment.
- NWEI's new health course will motivate thousands of participants to take action to protect the health of people and the planet—you can help make this possible by sponsoring pages of our new course book.
- Your name, or the name of a loved one, will be inscribed on a page of the forthcoming NWEI health discussion course book, recognizing your contribution to this course.

YES, I would like to partner with NWEI on the development of the new health course!
